

CONSUMER LIMITED ONE YEAR WARRANTY

HUNTWOOD
CABINETS
Stock Cabinetry

Manufacturer hereby warrants that the products manufactured under the Huntwood product offering are free from defects in material and workmanship for a period of One Year from the date of purchase. Manufacturer makes no other warranty, express or implied and makes no warranty of merchantability or of fitness for any particular purpose. The product coverage provided in this document is exclusive to the original purchaser, is non-transferable and is predicated upon the criteria outlined herein:

HINGES: Under normal use, the hinges used in Manufacturer's products have a maximum operational range when fully open (typically 106-degrees unless mechanically restricted). In the event that the door is opened beyond the maximum published opening, product failure may occur and is not covered under this Warranty.

DRAWER GUIDES: The drawer guides used in Manufacturer's products have a static load rating of 100 lbs. User should be aware that the aforementioned load rating is established with the weight evenly distributed throughout the drawer. Unevenly distributed weight and/or improper use of the drawer can result in failure of the drawer guide and is not covered under this Warranty.

FINISH: The protective top-coat applied to Manufacturer's products is designed to meet and/or exceed the requirements of the kitchen Cabinet Manufacturer's Association. As with any quality finish, it will wear with age and use, depending upon the owner's maintenance of the product. Exposure to abrasive chemicals, abrasive cleaning cloths/devices, solvents, excessive ultraviolet light and moisture can cause the finish to fail. Failure to maintain the product accordingly may violate this Warranty.

WOOD MATERIALS: Manufacturer utilizes both solid and veneered wood materials in its products. While made of the same specie, veneered material's composition causes it to receive stain differently than solid wood. Larger cabinet and accessory components are typically produced out of multiple pieces of material and while that material may be from the same wood specie, the individual pieces will display some inherent color variation beyond the control of the Manufacturer. Due to normal variations in the density and graining of wood itself, the same stain applied to another piece of the same wood specie may result in a somewhat different appearance. This variation can be greater when comparing solid wood to veneers. Additionally, wood species in all finishes

will exhibit color changes when exposed to all types of light (natural and man-made). It is the general nature of wood to darken over time. Natural gaining is not hindered by the finishing process. Color variations are also caused by the assortment of minerals found in the earth in which the tree was grown. The level of mineral absorption will vary in a given piece of wood. All species will exhibit sap runs, knots and pinholes. These characteristics will occur in varying degrees dependent upon the type of wood specie selected. It should be noted that cabinets and accessories that have a Natural finish (not stain color or paint color applied to them) will typically display significant color variation; such color variation shall not be considered "defective". This warranty does not cover the effects of light and aging upon Manufacturer's product.

This Warranty does not cover products that are misused, mishandled, improperly installed, abused, improperly stored, that have been subject to negligence or accident, or altered or repaired outside the factor of Manufacturer in any way. Additionally, this Warranty does not cover products that are subjected to extreme variations in temperature and/or moisture levels. Product that has been changed, modified, reconstructed or altered beyond its original manufacture shall not be covered under Warranty.

All claims for defective goods must be submitted to Manufacturer in writing to Huntwood Warranty Claims 23800 E. Appleway Ave, Liberty Lake, WA 99019 and must specify the defects present in the product. **All claims must be accompanied by a copy of the sales receipt.** After Manufacturer has had an opportunity to inspect the product, Manufacturer, at its sole discretion, will either replace or repair the product. This warranty is conditioned on the customer's proper treatment and maintenance of the product after delivery. After Manufacturer has had an opportunity to inspect the product, Manufacturer, at its sole discretion, will determine whether or not a defect exists. In the event that Manufacturer determines that a defect exists, the sole remedy to the original purchaser is either repair or replacement of the product, which shall be determined by Manufacturer. Replacement products provided under this Warranty may not exactly match original products due to the passage of time, natural aging process, and evolution of Manufacturer's product offering. This Warranty is conditioned on the original purchaser's proper treatment of the product after delivery. Manufacturer shall not be liable for consequential, indirect or incidental damages or associated costs incurred by the original purchaser. This Warranty does not cover delivery costs or labor charges to remove or reinstall products or any related components (including countertops, plumbing, flooring and appliances). This Warranty gives you specific legal rights and you may also have other rights, which may vary from state to state. Manufacturer reserves the right to change, without notice, design specifications and materials as conditions require and as improvements are developed. Manufacturer is under no obligation to incorporate such changes in products previously manufactured. Manufacturer may, at its sole discretion, substitute a similar product for replacement of a previously manufactured product.

Jurisdiction and venue for any dispute regarding the product sold, this Warranty or any other matter that may arise between Manufacturer and original purchaser shall be Spokane County, Washington, exclusively. The terms and conditions of this Warranty and any dispute regarding the same shall be governed by and interpreted under the case and statutory law of the State of Washington.
